at its eighth session, and the texts adopted by the United Nations Conference on Environment and Development, particularly Agenda 21, 2/

Taking note of the Declaration adopted at the Ministerial Meeting of the Least Developed Countries, held at United Nations Headquarters on 30 September 1993 in pursuance of the decision taken at the Ministerial Meeting held at Dhaka in February 1990, 3/

Recalling that the prime objective of the Programme of Action is to arrest the further deterioration in the socio-economic situation of the least developed countries, to reactivate and accelerate their growth and development and to set them on the path of sustained growth and development,

Noting that while the least developed countries, for their part, have been implementing courageous and far-reaching policy reforms and adjustment measures in line with the Programme of Action, implementation of international support measures and commitments has fallen far short of the provisions of the Programme of Action,

Expressing serious concern about the continued deterioration in the socio-economic situation of the least developed countries as a whole,

Also expressing concern about the growing debt stock and debt-service burden of the least developed countries, the shrinking market for their products and the declining flow of development resources,

Stressing that the mid-term review of the implementation of the Programme of Action provides a unique opportunity for the least developed countries and their development partners to formulate comprehensive corrective measures with a view to enhancing the implementation of the Programme of Action during the rest of the 1990s,

Taking note with appreciation of the report of the Secretary-General, 4/

1. Reaffirms the Paris Declaration and the Programme of Action for the Least Developed Countries for the 1990s;

2. Calls upon all Governments, international and multilateral organizations, financial institutions and development funds, the organs, organizations and programmes of the United Nations system and all other
